

Yard Waste Drop-Offs

Important notice!

Effective January 1, 2011, due to increasing budget constraints, the Lucas County Solid Waste Management District (LCSWMD) will no longer be able to offer a free yard waste service for residents of Lucas County. This contract expires December 31, 2010 and residents may be charged a fee at this or other facilities for yard waste, including but not limited to tree branches, tree trimmings, brush clippings, bushes, leaves, grass clippings, plants, plant matter, etc. Residents may continue to use this facility or may consult with their individual community or refuse/recycling hauler regarding their yard waste collection programs.
